

# MEMBER BENEFITS

[www.ahp.org](http://www.ahp.org)

# Choose the Membership Option that's Right for You and Your Team.

**Individual Membership** is available to anyone directly involved in fundraising and/or who is employed by a voluntary, not-for-profit or government health care organization or institution. Membership is available in terms of 12 or 24 months and begins the month after your application and dues are received.

**Institutional Membership** is for any voluntary, not-for-profit or governmental health care organization or institution with two or more development professionals on staff. **Membership dues are discounted based on the number of development professionals (minimum of 2) on your membership roster.** Membership is for 12 months and begins the month after your application and dues are received.

“ *I have attended several AHP conferences with both staff and board members and we return to our work energized and inspired. **AHP is the best investment you can make!*** ”

—Kendra Howell, MPP, Salinas Valley Memorial Hospital, Executive Director, Foundation

Our mission is to inspire, educate and serve those transforming health care through philanthropy.

# Expand Your Knowledge

Take advantage of members-only savings on AHP conferences, webinars and publications.

## **AHP Madison Institute (Summer)**

Learn, share and develop connections in an interactive, supportive and highly-targeted learning environment. With seven certificate tracks offered, the week-long Madison Experience has something for every health care fundraiser, from those who have just entered the profession to seasoned professionals moving into management roles.

## **AHP Leading Forward Executive Summit (Spring)**

Leading Forward is specifically designed for our industry's senior-level decision makers, offering you a place to connect with each other, sharpen your leadership skills, and address the critical issues affecting your organization now.

## **AHP Convene Canada Conference (Spring)**

This conference delves deeply into issues specific to health care fundraising in Canada. Gain new insights into the programs you run and best practices to make them more successful. Convene Canada presents opportunities to meet and mingle with peers facing the same challenges you are and who can serve as a valuable network throughout your career.

## **AHP Annual International Conference (Fall)**

Join us for AHP's flagship event, which features valuable educational content for everyone, including program-driven sessions to help you excel in your professional area of focus. This conference is a must attend event for anyone in the health care fundraising field.

## **AHP Health System Residency Program**

This 18-month, comprehensive program examines the concepts and practices of strategic and advanced philanthropy development for health care systems. The residency is grounded in experience and frameworks that can inform practice. Learn the competencies and knowledge required for successful senior development officers.

## **AHP Webinar Series**

AHP's webinars share best practices and case studies with actionable takeaways. Learn when it's convenient for you, live or on demand, in a fast-paced experience specifically designed for health care development professionals.

# Stay Informed

Peer-to-peer collaboration is key to successful fundraising. Your AHP membership provides:

## **Benchmarking Services**

Learn and communicate your key performance metrics quickly and easily by participating, at no cost, in the AHP Report on Giving survey. Want to see how you measure up? Subscribe at the member rate to AHP's Benchmarking Service to gain access to peer group comparison data.

## **Access to the AHP Resource Center**

The AHP Resource Center contains more than 2,000 articles, whitepapers and studies. Download samples for everything from job descriptions to direct mail pieces in this free online resource for AHP members.

## **The Healthcare Philanthropy journal**

Published twice a year, the *Healthcare Philanthropy* journal is free to members and contains the latest news on health care fundraising. Find strategic concepts, data and analyses of industry movements in this publication available both digitally and in print.

# Engage With Your Peers

Network, ask and share in our members-only online community, or volunteer for an AHP committee to help shape your association.

## AHP Huddle

Our members-only online community is where health care fundraisers network with other members, discuss relevant industry issues and receive peer advice. You can share files, join specialized peer group discussions and learn about upcoming industry events.

## AHP Mentor Program

Back by popular demand, the AHP Mentor Program is open to both AHP members and nonmembers looking to give back through guiding emerging professionals (mentors) or to those interested in developing an ongoing relationship with a more seasoned fundraising professional (mentees).

## AHP Committees

Committee involvement is a great opportunity for members to have an impact on AHP's strategic direction. Join an AHP Committee to help shape educational content, to develop AHP communications, or to encourage member engagement and networking among members.

# Advance Your Career

## **Earn CFRE Credits**

AHP provides you with CFRE-approved educational opportunities for continuing education credits. Earn your CFRE certification through AHP conferences and the AHP Webinar Series. Plus, AHP members save 20% on their certification exam.

## **The AHP Career Center**

The AHP Career Center is the ultimate healthcare philanthropy career resource, containing the largest source of healthcare philanthropy jobs in the nation. Search job listings and post your resume, or take advantage of members-only reduced job posting rates.

## **The AHP Salary and Benefits Report**

A free resource for members that examines salary levels in the U.S. and Canada for health care development professionals.

The Association for Healthcare Philanthropy (AHP) is a non-profit professional organization dedicated to supporting the men and women who encourage charity in health care institutions. AHP is the definitive authority on research, training, networking, and career development in health care charitable giving.
