

Thank you

... for choosing Mercy Medical Center – Dubuque for your recent health care needs. It is our mission to serve you with compassion, respect, concern, and a standard of excellence that only Mercy can deliver.

During your time with us, perhaps there was someone who went above and beyond to make your stay a little more like home. Whether that person was a doctor, nurse, therapist, or one of the many staff members, please take a moment to share your experience with us by using the tear-off thank you note and returning it in the enclosed envelope.

A gift is a great way to say THANK YOU.

On the other side of the thank you note is an opportunity for you to make a gift to the Dubuque Mercy Health Foundation.

A gift to the Mercy Fund can help us continue leading the way in quality health care, state-of-the-art technology and making a difference in people's lives.

Making a donation to Mercy is a wonderful way to say you care for your family, friends and community.
